

Good Time

Angela Via

Oh, oh, oh, baby, oh, baby
I'm gonna have a good time

So you don't wanna be with me
You wanna be, you wanna be free
Well, baby, I'll let you go away
Just do your thing and let me be
'Cuz, honey, I know I'll be okay

I'm sure you're thinking
It must be killin' me inside
That I am up in my room
Waiting 'til the tears have stopped

But there is something
That I think you should know about me
It doesn't take me long
To get over what's history

I'm not gonna hang around and cry
I'm gonna have me a good time
I'm not gonna sit and wonder why
I'm gonna have me a good time

Soon you will be out of your mind
And I'll be with a better guy
Don't worry, baby, I'll be fine
I'm gonna have me a good time

So I heard you've been up past 3
On your own little pimpin' spree
Callin' every girl you meet on the phone
Yeah, yeah, yeah, yeah

Baby, that's okay with me
'Cuz when you look me
Way you'll see that I've been havin'
A fiesta of my own

I bet you're thinking that
I'm just disguising a broken heart
When you see with somebody new
I know that you will be torn apart

I'm not gonna hang around and cry
I'm gonna have me a good time
I'm not gonna sit and wonder why
I'm gonna have me a good time

Soon you will be out of your mind
And I'll be with a better guy
Don't worry, baby, I'll be fine
I'm gonna have me a good time

You made it perfectly clear that the two of us are through
That made me realize I'm better off without you
Soon I know you'll be alone and reminiscing wishing

That it was your lips that I was kissing

I don't wanna see your face no more
Don't you be knocking at me door
It's very simple, simple
I mean, yeah

You don't need to give me
Any sympathy
But basically what all this mean
Asta laveista, baby

And I

I'm not gonna hang around and cry
I'm gonna have me a good time
I'm not gonna sit and wonder why
I'm gonna have me a good time

Soon you will be out of your mind
And I'll be with a better guy
Don't worry, baby, I'll be fine
I'm gonna have me a good time

I'm gonna have me a good time
Come on, let's have a good time
I'm not gonna hang around and cry
I'm not gonna sit around and wonder why

A good time, a good time
Ooh, yeah, oh, oh, oh, oh
Oh, oh, oh, oh, oh, yeah
A good time

I'm gonna have me a good time
Come on, let's have a good time
I'm gonna have me a good time
Come on, let's have a good time
