

So You Say

Angela Via

So you say you wanna be my baby
So you say you wanna be my baby

You should know that
We've been this road before
You've been asking me so anxiously
To give you one more chance with me
You know I'm not the type
To give my heart away
You can wrap me 'round your finger
With the pretty little things you say

You've been runnin' around
With every girl I know
Ain't no tryin' to deny it
'Cause I've seen it everywhere I go

So you say you wanna be my baby
Boy, you've got to prove yourself by showing me
That you can leave those other girls alone
So you say you wanna be my baby
Boy, you've got to treat me like your queen
Hold me tight and don't you ever let me go

So you say you wanna, say you wanna
Say you wanna be my baby
So you say you wanna, say you wanna
Wanna be my baby, wanna be my baby

Once again you say that I'm the one you love
You keep calling me your everything
Your angel sent from up above
Don't think that I forgot the games you used to play
If you want me, you can have me
But you're gonna have to change your ways

So what did you run around with every girl but me
This time you've got to make me see
That I'm the only one you need

So you say you wanna be my baby
Boy, you've got to prove yourself by showing me
That you can leave those other girls alone
So you say you wanna be my baby
Boy, you've got to treat me like your queen
Hold me tight and don't you ever let me go

So you say you wanna, say you wanna
(Uh, uh)
Say you wanna be my baby
So you say you wanna, say you wanna
Wanna be my baby
So you say you wanna, say you wanna
(Uh, uh)
Say you wanna be my baby
So you say you wanna, say you wanna
You've got to prove your love to me

If you really want me
You can't be playin' with my heart
Boy, you must convince me
You'll behave when we're apart

So you say you wanna be my baby
Boy, you've got to prove yourself by showing me
That you can leave those other girls alone
So you say you wanna be my baby
Boy, you've got to treat me like your queen
Hold me tight and don't you ever let me go

So you say you wanna be my baby
Boy, you've got to prove yourself by showing me
That you can leave those other girls alone
So you say you wanna be my baby
Boy, you've got to treat me like your queen
Hold me tight and don't you ever let me go
