## **I Stand Accused**

## **Angelic Upstarts**

I stand accused, I feel abused, won't someone listen to me? I see your face; I see no trace. I ask no sympathy I stand accused, I feel abused, won't someone listen to me? I see your face; I see no trace. I ask no sympathy.

Two men can seal my fate, and you, you just see them straight No flaws, no falses, so secure, how can you be so sure? I stand accused, I feel abused, won't someone listen to me?

I see your face; I see no trace. I ask no sympathy How do you sleep at nights, you must be so sure that I'm the one who speaks no truth, how can you be so sure? I stand accused, I feel abused, won't someone listen to me? I see your face; I see no trace. I ask no sympathy.

Do it, do it, do it, do it, do it to me, I have no faith in your liberty, Can you see by the way I dress, I'm not your level, I am less.

I stand accused, I feel abused, won't someone listen to me? I see your face; I see no trace. I ask no sympathy I stand accused, I feel abused, won't someone listen to me? I see your face; I see no trace. I ask no sympathy
