

## Shotgun Solution

## Angelic Upstarts

Twelve O'clock midnight the scene is set  
For a journey in the night they thought was right  
No turning back till the job was done  
No need for regret when they shoot some scum

No one else will suffer no one else will bleed  
One finger of the right hand will cure the cancer  
Once and forever

Shotgun blast ring in my ear  
Shoot some scum that rule by fear  
A lot of good men will do some time  
For a fucking cunt without a spine

The taste of the medicine is bitter sweet  
Just take a look around there's no retreat  
Cry and scream all you like  
Just have a feel of the dogs that bite  
Get on your shoes and run like hell  
You're not moving very fast it's not hard to tell  
Look at your legs they're full of lead  
It's such a shame it wasn't your head

Ding dong ding dong I can hear a bell  
Ding dong ding dong move like hell  
Ding dong ding dong it seems to stop  
Ding dong ding dong you caught the fucking lot
