

Stab in the Back

Angelic Upstarts

Call himself a brother, call himself a friend, put him on the moment, you can see he's just pretend.

Smile your way through it, a kiss in the end. Smile to the fullest, we know you're just pretend.

Stab in the back, stab in the back, stab in the back, from those who should attack.

Stab in the back, stab in the back, stab in the back, from those who should attack.

Kelly I'll find you 'cause I am the judge Kelly I'll find you when my money isn't low, there was a struggle, There was a war, stand and be counted. Whatcha running for?

Stab in the back, stab in the back, stab in the back, from those who should attack.

Stab in the back, stab in the back, stab in the back, from those who should attack.

Call himself a brother, call himself a friend, put him on the moment, you can see he's just pretend.

Smile your way through it, a kiss in the end. Smile to the fullest, we know you're just pretend.

Stab in the back, stab in the back, stab in the back, from those who should attack.

Stab in the back, stab in the back, stab in the back, from those who should attack.

Call himself a brother, call himself a friend, put him on the moment, you can see he's just pretend.

Smile your way through it, a kiss in the end. Smile to the fullest, we know you're just pretend.

Stab in the back, stab in the back, stab in the back, from those who should attack.

Stab in the back, stab in the back, stab in the back, from those who should attack.

Stab in the back, stab in the back, stab in the back, from those who should attack.
