

Two Million Voices

Angelic Upstarts

2 million voices, can you hear 2 million voices
2 million voices, can u hear 2 million voices
2 million voices! 2 million voices shout at the street

Can u hear the cry there's no retreat
Look at there mouths there open wide
Shout for an answer trying to survive

2 million voices, can u hear 2 million voices
2 million voices, can u hear 2 million voices
2 million voices!

We'll never give up
No need to surrender
We wanna work for a future
Give us a chance we wanna life
Never to return at dawn!
