

I'm So Deep In Your Love

Angelina

I'm so deep in your love
I'm so deep in your love

I just can't believe the way I'm feeling
My body feels like it's on fire
There's no one that can make me feel like you do
>From the moment I met you, you swept me away
My passion has turned into life
You reach me places I never knew
The fire burns deep down inside

I'm so deep in your love
I'm so deep in your love

It's hard for me to sleep when you're not near me
I think about you all the time
But from the moment that I have you right here with me
These fantasies control my mind
I love the way that you hold me so tight in your arms
The way that you look in my eyes
There's no one that loves me the way that you do
You make everything feel so right

I'm so deep in your love
I'm so deep in your love

En el fondo de mi corazon
En mis suenos mi fantasia eres tu
Acercate a mi amor ven con migo
Solo to why nadie mas

I'm so deep in your love
I'm so deep in your love

I'm so deep in your love
I'm so deep in your love
