Somewhere Over The Rainbow

Somewhere over the rainbow Way up high In the land that I heard of once In a lulaby

Somewhere over the rainbow Skys are blue And the dreams that you dare to dream really do come true

Some day I wish upon a star And wake up where the clouds are far behind me Where troubles melt like lemon drops Away above the chimney tops That's where you'll find me

Somewhere over the rainbow Skys are blue And the dreams that you dared to dream really do come true

If happy little blue birds fly Above the rainbow why Oh why can't I Angelis
