

# I'm Coming Home

Angelo Kelly

Hush little darling don't you cry  
My little darling don't you cry  
Everything's gonna be alright  
Cause I'm coming home, home tonight

I see you in the kitchen, I see you in the garden  
I see you working, see you laughing  
I see you with our children and they are sleeping tight  
Cause I'm coming home, home tonight  
I'm coming home, home tonight

Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, eah, yeah, yeah, eah

I've been on the road for so long  
I've been on the road far too long  
if you go to bed, leave on the light  
Cause I'm coming home, home tonight  
I'm coming home, home tonight

Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, eah, yeah, yeah, eah  
Oh eah, yeah, yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, eah, yeah, yeah, eah
