I'm Ready

Angelo Kelly

I don't know what I was missing
I didn't kmow what I was doing
I don't know what I was thinking
I didn't know where I was going
I thought I would never need you
I thought I was better on my own
I thought I could do without you
But now I know that I've been wrong

Come on in
Come on in
Come on in
I'm ready

I didn't wanna change or move
I didn't wanna say I'm sorry
I thought I had something to prove
I guess it's always the same story
Then came a point where I was scared
I knew more then I was supposed to
I was down and no one cared
I'm so glad I finally found you

Come on in
Come on in
Come on in
I'm ready

I was lost
Now I'm found
I was blind
And now I see
You were there
All along
So come on in
Cause I'm ready

Come on in
Come on in
Come on in
I'm ready

Come on in
Come on in
Come on in
I'm ready
