

# I'm Sorry

Angelo Kelly

I lost so much baby, I almost lost you as well  
I almost pulled the trigger, I almost locked  
myself in a cell, oh no, I never thought it  
would happen this way, oh no, I never  
thought I'd have to say.

I can't believe this happend to me,  
I can't believe this happend to me.

I played with fire, I made a deal with the devil,  
I said hey, I'll forget all, forget all the lord has  
given, I played with fire, I swear I'll never do it  
again, I played with fire, and almost lost all  
that I am.

I can't believe this happend to me,  
I can't believe this happend to me.

I'm sorry, I'm sorry,  
I didn't really wanna hurt you,  
I didn't really wanna hurt you.

What was I thinking, was I gonna lie to you forever  
I didn't know what I was thinking, I didn't  
know I was full of shit, I wanted to feel new, I  
needed another kick, but I was hurting you, oh  
I was acting really sick.

I can't believe this happend to me,  
I can't believe this happend to me.

I'm sorry, I'm sorry,  
I didn't really wanna hurt you,  
I didn't really wanna hurt you.

I didn't really think it would happen to me,  
I didn't really think it would happen to me,  
I didn't really think it would happen to me,  
I didn't really think it would happen to me,  
I didn't really think it would happen to me,  
I didn't really think it would happen to me.

Oh I love you, I love you so much my dear,  
oh I thank you, I thank you for staying right  
here, I thank you for staying right here, I thank  
you for staying right hear, I thank you for staying  
right here.

I'm sorry, I'm sorry,  
I didn't really wanna hurt you.
