You can't touch me
You can't hold me
Cause I'm the invincible child

So take all the money and burn it all We should get back to where we were Things weren't really perfect But they sure aren't now In this so called modern society The statue of liberty A state of misery

You can't touch me
You can't hold me
Cause I'm the invincible child
I'm the invincible child
You can't stop me
You can't hold me
Cause I'm the invincible child
I'm the invincible child

You can't touch me

You can't touch me
You can't hold me
Cause I'm the invincible child
I'm the invincible child
You can't stop me
You can't hold me
Cause I'm the invincible child
I'm the invincible child
