

He comes with wire, spikes and electrodes
Tongs and speculum, hammer illegitimate
If he can not deflower in her cage
Then he's having her on a white plate

Devil eyes
Rakehell child
Rapsallion smile
Thief

But his hunger can only be snatched...by unblessed hands
All that communion with cowards rubbed off

Devil eyes
Rakehell child
Rapsallion smile
Thief

Fink Liar heart manipulator
Bankrupt the boy just to soil the girl
Suave, villain, sophisticated

Fink Liar heart manipulator
Bankrupt the boy just to soil the girl
Suave, villain, sophisticated
Swindling miscreant malefactor

Devil eyes
Rakehell child
Rapsallion smile
Thief
