

Jugular

Angelspit

angry, very mutha fucking angry
over and over and over and over again
same set list same beat same tempo
same 1980s compilation

lift up your bony little fists on high!
scratch my anger into your eyes
wake the dead, it's time to die!
bang bang silver hammer go for the...

JUGULAR! (teeth sinking into throat)

no play unless I get it for free
vixens in black by the dozen lining up to see me
Don't need mixing gotta keep my right hand free
love this club spread simplex 1 2 3

deal me a card in the Suicide club
Falls from Grace with a wallet full of HATE
dis-ease of the soul called apathy
Revolt! here's your change, have a nice day

dish up a 3 course FUCK YOU platter
Faster, harder, louder, motherfucker
placebo more effective when they taste bitter
when diplomacy fails...go for the...

JUGULAR! (teeth sinking into throat)

Daddy gave you twin decks for your birthday
hands clapping, cameras snapping spin that wheel DJ
no skill dance a little just press play
spit venom, talk much, loves to complain

back then when you would pretend to care
popping pills, hitting eject, sucking lots of...yeah..
glamour junky and the shiny affair
sucked down the vortex leaving a smear of hair

lift up your bony little fists on high!
scratch my anger into your eyes
wake the dead, it's time to die!
bang bang silver hammer go for the...
