

# Waitin' On

Angie Martinez

That's right, that's right, that's right  
That's right, that's right, that's right  
That's right

All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been, waitin' on

All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been hey hey

Now everybody just bounce bounce  
When we climb up outta' that truck  
And you standin' out in that line  
And we walk straight in, nigga that's wassup  
Straight to the V I, where they got them bottles ready  
My name good 'cause we kinda' heavy  
Walk in with the hood and the cars steady talkin'  
Wish I could, but our time is very important

You should find your mind already  
'Cause I got hot shit, hooks kinda' catchy  
I spit so quicks no time to catch me  
Nah-uh don't stress me  
'Cause we, just came to make ya bounce  
Tear da club up and clear it out  
Thugs in the club, beef just air it out  
Now everybody just bounce bounce

All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been, waitin' on

All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been hey hey

All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been, waitin' on

All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been hey hey

Now everybody just bounce bounce  
Every time we jump on that stage  
From page 1 through to 8  
In the hallways or through the day  
You know our name good, kinda thick

Woke up in the spot with the shiny whips  
Keep talkin' a lot, bring out the grimey chicks  
In case you forgot how the grimey get

Niggas surround this shit, let me remind you chick  
How one hit can leave you all blind and shit  
Have to send your little friends to come find your shit  
But right now there's really no time to flip  
Just bounce, get twisted, get ripped, no doubt  
That's what I'm talkin' about  
'Till ya whole crew, they walkin' ya out  
Swear ya'll never drink again, sure no doubt

All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been, waitin' on

All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been hey hey

All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been, waitin' on

All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been hey hey

That's right, that's right, that's right  
That's right, that's right, that's right  
That's right

Now if you still bouncin' and this yo shit  
Then okay, pump it in your whip  
We get it crunk, in the A T L  
Down in the south, baby blaze that L  
Just bounce bounce, rep your hood  
Rep your city, playa it's all good  
This worldwide, any town any club  
Unless you busy, you can party wit us

'Till the mornin' come, then we on the run  
Then we do it again, 'cause that's how it is  
On them ones, playa that's how it is  
Talk money, it's done that, just biz  
I get it on lock like "That's just a bid"  
Every time I rock it's like "That's just the kid"  
If you didn't know, now you know  
Gotta get this paper, gotta go gotta go, c'mon

All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been, waitin' on

All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been, waitin' on

All that you've been hey hey

All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been, waitin' on

All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been, waitin' on  
All that you've been hey hey
