Baby

Baby, slow down Baby, slow down Seems you're moving too fast for me Baby, slow down Seems you're moving too fast for me Seem to be movin' a little too fast for me Baby, slow down I'm not gonna hurt you I understand you never been here before Someone has used you, making you so scared Allow me to make it better, oh R: Baby, slow down Seems you're moving too fast for me Baby, slow down Seems you're moving too fast for me Seem to be movin' a little too fast for me Baby stop runnin' Please let me catch you You're goin' through too many changes But don't be scared to trust a stranger I will assure you, there is no danger R: (2x) What your friends say is fine It don't mean a thing When your heart beats next to mine Take your time, baby slow it down Cause we got forever R: (2x) Break it down, break it down Uh uh Baby Seems you're moving too fast (Seems you're moving too fast) Seems you're movin' too fast baby Seems you're movin' Seem to be movin a little to fast for me Seems you're movin' (Slow down) Too fast for me Seems you're movin' Seem to be movin' a little too fast for me
