

# Guilty

Angie Stone

R: If I'm guilty for loving you  
Then just take me to jail  
Where I'll spend the rest of my life loving you  
Saying what the hell  
If I'm guilty for loving you  
Then just take me to jail  
Without your love Boy I would feel  
Nothing, nothing, nothing, nothing else

I've had my share of hard and  
Lord knows I know the pain  
I'm still in love with you  
Something I just can't explain  
People seem to judge my every move concerning you  
But they don't know that I'm stuck to you  
Just like crazy glue.

R:

Love ain't fair  
And love don't care  
Love has put me through some things  
That I don't care to share  
You got my heart in the palm of your hand  
And you know better than anyone  
That for me there's no other man

R:

There are so many lessons in love  
And yeah sometimes it gets rough  
But you can't help who you love  
Be careful who you choose  
Love has the power to confuse  
You can't walk away wanting to stay  
Sometimes it makes you look like a fool
