

# I Wanna Thank Ya

Angie Stone

Ladies & Gentlemen  
This is a Jazze fizzle product-shizzle (Let's do it)  
Angie Stone, sing it baby  
(Ooh, let's do it)  
(Let's do it) Come on

Oh love, I just don't know what it is you do to me  
So many ups there's no room to complain  
Got me feeling free  
And I ain't diggin' nobody but you  
Can't take a chance on nobody new  
And I'm feelin' everything you do  
Your love is gangsta, I wanna thank ya

Love it when you love me baby  
Love it when you love me darlin'  
Oh, cuz you know I love you baby  
You know I really love you darlin'

Love it when you love me baby  
Love it when you love me darlin'  
Oh, cuz you know I love you baby  
You know I really love you darlin'

Ahh you know you're my destiny  
And I love this chemistry  
It keeps on pulling me  
Making me see you're the one God fashioned for me  
I can't explain how you're makin' me feel  
Throw up my hands cuz this feeling is real  
Wiggle 'em around cuz you're puttin' it down  
Your love is gangsta, I wanna thank ya

Love it when you love me baby  
Love it when you love me darlin'  
Oh, cuz you know I love you baby  
You know I really love you darlin'

You give me a natural high  
Love me so good, I'm on cloud nine  
(You're love) to be the seventh heaven  
I consider it a blessing  
Many tried but could not get it right  
Now I found out that I have up and died

Love it when you love me baby  
Love it when you love me darlin'  
Oh, cuz you know I love you baby  
You know I really love you darlin'

Come into my life  
Boy I adore you  
Come into my life  
Boy I adore you  
Come into my life  
Boy I adore you  
Come into my life

Boy I adore you

Love it when you love me baby  
Love it when you love me darlin'  
Oh, cuz you know I love you baby  
You know I really love you darlin'
