

Kiss All Over Your Body

Angie Stone

Baby I need you to come over
Yeah
I mean I need you tonight
I need you to handle your business
It's been a minute
N I'm good n ready

R: Kiss all over your body baby
Touch you where you like
I wanna lay you down close the door
Give you what your yearning for
(2x)

I'm missin you cuz I cant forget
When I'm kissin you how it makes me feel
Inside I'm longin for your touch tonight baby
I'm feelin strong n I'm holdin on
Baby don't be long bring that lovin on
Tonight
Something just came over me
Damn its like the wildest thing
Feel you deep inside of me
Physically I cant see you
But I guess that's just the way it is
Any moment you'll be here

R:

Hey there pretty lady
I been patiently waitin
For a chance to get you all alone n lay you down
Tonight will be the perfect time cuz ain't no one around
Your body's gunna be right on top of mine
Tonight I'm gunna make you satisfied
Baby I know jus what your lookin for
Let me assure you I got so much more

R:

We're at the point of ecstasy
I love you bein next to me
Won't you stay a while
I love it when you smile
You know I dig your style
Baby the night is still so young
N we are havin so much fun
N your a gentleman
Yes your welcome in
So c'mon lets do it again

R:

Baby you are soooo good
Your awesome
You know how to handle your business
Yeah I feel real good right about now
