

Push N' Pull

Angie Stone

Now hear me baby there's something that I got to tell you
Makes no sense the things we're doing, going through
So when we together it seems we never seem to agree
Can somebody tell me is it you or is it me

All we do is push 'n' pull baby
That's it baby push 'n' pull
All we do is push 'n' pull baby
That's it baby push 'n' pull

Remember that pretty car you had me so enthused
Thought it turned me on but what I wanted was you
Then you pulled at my heart just a little too tight
When I ask you to let go you just wanted to fight

All we do is push 'n' pull baby
That's it baby push 'n' pull
All we do is push 'n' pull baby
That's it baby push 'n' pull
Sing it again
All we do is push 'n' pull baby
That's it baby push 'n' pull
All we do is push 'n' pull baby
That's it baby push 'n' pull

This is why we growing in each and every night
Just like two little kids
Nobody knows what's right
Too much align baby with no recipe
Two of a kind is like a sex is

All we do is push 'n' pull baby
That's it baby push 'n' pull
All we do is push 'n' pull baby
That's it baby push 'n' pull

Always wanting more
Agree to agree to agree
