

Think Sometimes

Angie Stone

Funny how the ones who use to make you laugh slipped away so fast

Now their in your past

Wondering bout what you could have done

It will make you think sometimes

Tomorrow never promised so best prepare

Never know when your creator is going call you there

Shake it out, work it out, if you give a damn

And just think sometimes

Cuz everday you got breath to pray

Oughta thank the lord that he made a way

For you to wake up this morning watch the sun come up

Best believe somebody didnâ
