

A Monster in Her Eyes

Angra

I always was a lower being
Not much, I'm just a beast
You might think I'm the lowest of the low
But there is something you should know.
Long before you came
You'd have found me here,
And never begged for your help
This old land will be mine once again
And all my sacrifice will be worth the price
And never again I'll be a monster in your eyes
You took my freedom:
And shaped it into your servant,
You taught me your tongue,
Denying me the word.
Lord O' mine for so long,
Now comes the time to regain
My land and Miranda will see
All my sacrifice, will be worth the price
And never again I'll be a monster in her eyes
I'll be a monster in your eyes
Please, be not afeard
By this isle's sounds in your ears
When I have waked, after a long sleep
The clouds I was dreaming
I cry to dream of again...
Lord O' mine for so long,
Now comes the time to regain
My land and Miranda will see
All my sacrifice, will be worth the price
Forever I'll say
My stolen paradise,
Will be worth the price
And no longer I'll be a monster in her eyes,
I'll be a monster in her eyes
I'm just a monster in her eyes
