

Rebirth

Angra

Cooling breeze from a summer day
Hearing echoes from your heart
Learning how to recompose the words
Let time just fly
Joyfull sea-gulls roaming on the shore
Not a single note would sound
Raise my head after I dry my face
Let time just fly
Recalling, retreating
Returning, retrieving
A small talk your missing
More clever but older now
A leader, a learner
A lawful beginner
A lodger of lunacy
So lucid in a jungle
A helper, a sinner
A scarecrow's agonyzing smile
Oh! Minutes go round and round
Inside my head
Oh! My chest will now explode
Falling into pieces
Rain breaks on the ground-blood!
One minute forever
A sinner regretting
My vulgar misery ends
(And I) ride the winds of a brand new day
High where mountain's stand
Found my hope and pride again
Rebirth of a man
Time to fly...
