I took my baby to the top of the world I took her there she was my favorite girl On the pyramid and up to the top, yeah Girl of my love girl of my dreams you don't know what this real ly means Grab my knife and I start to cry, stabbed her body fourteen tim Egyptomania, I'm goin' Cairo-Go-Go was a favorite spot, drinks were soso but they got me off Did the shimmy 'til the break of dawn, yeah Tonight Egyptian moon, palm trees, sand and you. Blood on my face, blood on her arms she was the girl with the E gypto charm. Egytopmania, Egypto! I took my baby to the top of the world. I took her there she was my favorite girl. We went down into the tut one day But now that's alright got nothin' to say. Egyptomania, I'm goin'.
