

## (I'll Drink To This) Love Song

Angry Samoans

Well, I don't cry, you no longer love me  
'Cause I'm inside, there's four walls above me  
Well, life's a joke and you are the punchline  
Well, I should know, you tell me, I've wasted your time

Come on, ah ah ah ah ah, ah ah ah ah ah  
Without you here, I'll never stay so long  
So pass one more beer, I drink to this love song  
And I don't care

So come on, ah ah ah ah ah  
Ah ah, I drink to this love song
