

## Confide In Me

Angtoria

I stand in the distance  
I view from a far  
Should I offer some assistance  
Should it matter who you are

We all get hurt by love  
And we all have our cross to bear  
But in the name of understanding now  
Our problems should be shared

Confide in me, Confide in me  
Confide in me, Confide in me

I can keep a secret  
And throw away the key  
But sometimes to release it  
Is to set our children free

We all get hurt by love  
And we all have our cross to bear

Confide in me, Confide in me  
Confide in me, Confide in me
