

God Has A Plan For Us All

Angtoria

Let His holy choir sing in sodomy, praise be!
Surrender your body and your soul, unto Him.
Demoralize me!

So, he crept into my room.
Whispered my name, took my innocence away.
I'm only five; a perverts concubine.

God has a plan for us all.
I've been touched by the hand of God.
My sordid tale, his lies are blasphemy.

You do not believe in Him, but he believes in you.
He wants you to repent all your sins.
Let Him in, inside you!

God has a plan for us all.
You are one of God's children.
Get on your knees, serve him well my child.

God has a plan for us all.
Don't say a word, or you'll go to hell.

God has a plan for you all.
Open up for him, let Jesus in.
His sordid tale, his lies are blasphemy.
