Hell Hath No Fury Like A Woman Scorned

Angtoria

Each morning I prayed
My mirror displayed, my disgrace
From the anger, bruised upon my face

Dragged through the halls Your cycle re-born Lost your grip on life

Hell hath no fury like a woman scorned Re-live your nightmares through us Hell hath no fury like a woman scorned Unleash your pain & punish us

We reach out to you, you raise your iron fist Betrayed, not raised, dismissed! Your loveless life, no heart warming twist Neglect, your defect! Forced to shy away

Dragged, we will fall Corruption re-born Lost your grip on life

Hell hath no fury like a woman scorned Re-live your nightmares through us Hell hath no fury like a woman scorned Unleash your pain & punish us

Hell hath no fury like a woman scorned Dismantle what's laid before you Hell hath no fury like a woman scorned Drive us insane & banish us
