A Heartbreak

Angus & Julia Stone

I met your parents, they were lying About falling in love I met your parents, they were dying About falling in love

Girl, you're just a child
A heartbreak
Girl, you're just a child
A heartbreak

I saw your friends at the drive-in They were falling in love I met your friends, they were lying About falling in love

Girl, you're just a child
A heartbreak
Girl, you're just a child
A heartbreak

Girl, you're just a child
Falling in love
Girl, you're just a child
A heartbreak
