

And the Boys

Angus & Julia Stone

1. It's been days now
and you change your mind again
it feels like years,
and I can tell how time can bend your ideas

R: And the boys go on and on and on and on
and the boys go on and on and on and on
and there's gold falling from the ceiling of this world
falling from the heartbeat of this girl
falling from the things we should have learned
falling from the things we could have heard

2. Well it's been days now
and you change your mind again
all the cracks in the walls reminds you of things we said
and I could tell you that I won't hurt you this time
but it's just safer to keep you in this heart of mine

R: And the boys go on... (2x)

Falling from the people that we heard
falling from the love we never earned
falling from the sky that should have burned
falling from my heart
