

## For You

Angus & Julia Stone

If I talk real slowly, if I try real hard  
To make my point dear, that you have my heart  
Here I go, I'll tell you what you already know  
Here I go, I'll tell you what you already know

If you love me with all of your heart  
If you love me  
I'll make you a star in my universe  
You'll never have to go to work  
You'll spend every day  
Shining your light my way

If I talk real slowly, if I hold your hand  
If you look real closely my love  
You might understand  
Here I go, I'll tell you what you already know  
Here I go, I'll tell you what you already know

If you love me with all that you are  
If you love me  
I'll make you a star in my universe  
You'll never have to go to work  
You'll spend every day  
Shining your light my way

Here I go, I'll tell you what you already know  
Here I go, I'll tell you what you already know

If you love me with all of your heart  
If you love me  
I'll make you a star in my universe  
You'll never have to go to work  
You'll spend every day  
Shining your light my way
