

Get Home

Angus & Julia Stone

If I ever, ever did stray
Would you come back
Come back to me?
But you can't follow a dog home
No you can't call a dog home
If you don't know his name

Just as long as you gon' get home
You get home
Just as long as you gon' get home
You get home

Oh, she's a million miles away
Oh, a million shores and bays
And all I can think about is sailing by
Having you here by my side
Oh stay here with me, don't go
Oh stay here with me, don't go

Just as long as you gon' get home
You get home
Just as long as you gon' get home
You get home
[2x]

Oh you're bleeding out your heart
For the one you love
Oh you're bleeding out your heart
For the one you love
Oh you're bleeding out your heart
For the one you love
Oh you're bleeding out your heart
For the one you love

Just as long as you gon' get home
You get home
Just as long as you gon' get home
You get home
[2x]
