Purple Skivvy

Angus & Julia Stone

Haven't felt my heart beat in fifteen years I haven't felt my heart beat since I saw you standing here Love is not a war that I have got to fight when in this life what I can't love right I, I haven't got what I need from you A purple skivvy remark you know what they are memories attached to photographs I'm one of those girls who carries on the lie I'm one of those people who never gets facts right I, I haven't got what I need from you what I need, from you

what I need
