

# The Devil's Tears

Angus & Julia Stone

He said "I am the devil, boy, come with me  
And we'll make many storms"  
He offered me the universe  
But inside my heart there's a picture of a girl

Some call love a curse, some call love a thief  
But she's my home  
And she's as much apart for this broken heart, but see  
Broken bones always seem to mend

I'll taste the devil's tears  
Drink from his soul, but I'll never give up you  
I'll taste the devil's tears  
Drink from his soul, but I'll never give up you

He said "I am the devil, boy,  
Come with me and we'll break many laws"  
He offered me eternal life but inside my heart there's a picture of a girl

Some call love a word, some call love a thief  
But she's my home  
And she's as much apart for this broken heart, but see  
Broken bones always seem to mend

I'll taste the devil's tears  
Drink from his soul, but I'll never give up you  
I'll taste the devil's tears  
Drink from his soul, but I'll never give up you
