

Wherever You Are

Angus & Julia Stone

[Verse 1: Julia]

We're living in the gold
Driving in your car
And the cases that went cold
I want to be wherever you are
And we're sitting in that room
And you spoke in Japanese
Singing words, "I'll come home soon"
Want to please you
You want to please me

[Hook: Angus and Julia]

Don't take my word for it
Just look at me to know that I love you
Don't take my word for it
Just look at me to know that I do
Look at me to know that it's true

[Verse 2: Julia]

Driving around that town
Where you've been before
And we're like the kids from Candy
Kissing in the grocery store
And there's nowhere else to be
I could live in your old car
With the broken stereo
I want to be wherever
Wherever you are

[Hook]

[Verse 3: Angus and Julia]

There you go
I won't see you for a month of shows
I should say
Everything I have I would give away

[Hook]
