Tonight you stooped to my level
I am your mangy little whore
now you're trying to find your underwear
and then your socks and then the door
and you're trying to find a reason
why you have to leave
but I know it's 'cuz you think you're adam
and you think I'm eve

You rhapsodize about beauty and my eyes glaze everything I love is ugly I mean really, you would be amazed just do me a favor it's the least that you can do just don't treat me like i am something that happened to you

I am truly sorry about all this

You put a tiny pin prick in my big red balloon and as I slowly start to exhale that's when you leave the room I did not design this game I did not name the stakes I just happen to like apples and I am not afraid of snakes

I am truly sorry about all this I envy you your ignorance I hear that it's bliss

So I let go the ratio of things said to thing heard as I leave you to your garden and the beauty you preferred and I wonder what of this will have meaning for you when you've left it all behind I guess I'll even wonder if you meant it at the time
