

# If He Tries Anything

Ani DiFranco

I'm invincible  
So are you  
We do all the things  
They say we can't do  
We walk around  
In the middle of the night  
And if it's too far to walk  
We just hitch a ride

We got rings of dirt  
Around our necks  
We talk like auctioneers  
And we bounce like checks  
We smell like shit  
Still, when we walk down the street  
All the boys line up  
To throw themselves at our feet

I say I think he likes you  
You say I think he do too  
Go and get him girl  
Before he gets you  
I'll be watching you  
From the wings  
I will come to your rescue  
If he tries anything

It's a long long road  
It's a big big world  
We are wise wise women  
We are giggling girls  
We both carry a smile  
To show when we're pleased  
We both carry a switchblade  
In our sleeves

Tell you one thing  
I'm gonna make noise when I go down  
For ten square blocks  
They're gonna know I died  
All the goddesses will come up  
To the ripped screen door  
And say,  
What do you want, dear?  
And I'll say,  
I want inside

I say I think he likes you  
You say I think he do too  
Go and get him girl  
Before he gets you  
I'll be watching you  
From the wings  
I will come to your rescue  
If he tries anything
