

## Yeah Yr Right

Ani DiFranco

Yeah my neck is loose  
And my head's on right  
Got my sense of humor  
And my appetite  
Got my Joie De Vivre  
And my yeah yr right

Don't need a sleep number  
To help me sleep  
Don't need to rush on home  
To my TV  
Don't need a chocolate bar  
Or a new hairdo  
I'm so into you  
I'm into me too

Yeah we could make the scene  
We could spiff and primp  
I could be your wife  
You could be my pimp  
Or we could get up in the daytime  
And raise a kid  
I know I'd be glad if we did  
I so would be glad if we did
