

# Charlie, Charlie

Ania

I met a boy called Charlie Charlie  
On the 4th of September last year  
He was 21 and once a teenage star  
So sweeten the way he appeared  
In the way he appeared

Charlie Charlie  
He was a trip into  
The wild and the free  
Got high on drinks and me  
In rock'n roll dreams  
We share the days and nights  
Till one morning  
He showed me

I fell in love with Charlie Charlie  
It felt like the right thing to do  
With his careless, charmed  
And his jaded eyes  
I know you would have fall in, too  
You would have fall in, too

Charlie Charlie  
He was a trip into  
The wild and the free  
Got high on drinks and me  
In rock'n roll dreams  
We share the days and nights  
Till one morning  
He showed me

Charlie Charlie  
When for I'm and  
At the end of the street  
They stole my heart  
But if you happen to meet  
You tell him I don't want  
The morning that he owes me  
I just wanna know  
What went through him

Cause I could never know  
He don't know  
I thought I knew him  
Charlie Charlie  
What are you doing to me

Charlie Charlie  
He's got my credit card  
And has something seen  
He stole my heart  
But if you happen to meet  
Can tell him I don't want the money  
Though I just want him
