Suicide Is Painless

Through early morning fog I see Visions of the things to be The pains that are withheld for me I realize and I can see

That suicide is painless It brings on many changes And I can take or leave it if I please

The game of life is hard to play I'm gonna lose it anyway The losing card I'll someday lay So this is all I have to say

Suicide is painless It brings on many changes And I can take or leave it if I please

The sword of time will pierce our skins It doesn't hurt when it begins But as it works its way on in The pain grows stronger watch it grin, but

Suicide is painless It brings on many changes And I can take or leave it if I please

A brave man once requested me To answer questions that are key Is it to be or not to be And I replied 'oh why ask me?'

And suicide is painless It brings on many changes And I can take or leave it if I please

and you can do the same thing if you please
