

Demonic Dominion

Anima Damnata

In the glorious temple of perversion
Naked sluts covered with sperm and shit
Bleeding corpses on the altar of decay

Spread shit on the face of holy figure
Vomit on the crucified emaciation

In the greatest chambers of morbid lust
Worship the Black Goat and wriggle in desire
Play with your own faeces and drink your piss
Morbid bliss is our demonic dominion

Triumphant desecration
Bestial profanation
Satan adoration

Crush the sacrosancts icons
Descend into the dark
In filth you will live and die
Rise on the wings of Lord of Flies

In the greatest chambers of morbid lust
Worship the Black Goat and wriggle in desire
Play with your own faeces and drink your piss
Morbid bliss is our demonic dominion.
