

Prometheus Coprophagus

Anima Damnata

Open your mouth it is my blessing
I know you want to taste it
Spread it all over your pale skin
You masochistic slut called human
Take it!

I am
Prometheus
Prometheus Coprophagus

No more holy prayers and sins
I'll give you new god and new lust
Pleasures that you have never known before.
Eat it, swallow it!

Semen
Blood
Shit
Satan
Horny as a goat I'm waiting
For dirty cunt of your holy mother

Semen
Blood
Shit
Satan

I'm not the saviour but a destroyer
Of monuments of your trivial life
You must follow me like a dog
Cause you're only worthless scum.

I am
Prometheus
Prometheus Coprophagus

Horny as a goat I'm waiting
For dirty cunt of your holy mother.
