

To Jesus Christ And All His Servants

Anima Damnata

Die.

You are the sacred whore

Possessing human's soul

You are the fading light

Dying with your faith

Die.

You are demented shepherd

Leading into rood's fetter

You are the twisting path

For sacrificial goats

Die.

I'm killing you inside of me

I'm killing you inside of me

I'm killing you inside of me

In my life there is no place for you

You are the sacred whore

Possessing human's soul

You are demented shepherd

Leading into rood's fetter

Die in your own mercy

Let demons eat your heart

I want to burn in hell

So don't worry about my soul

DIE!!!

I'm killing you inside of me

I'm killing you inside of me

I'm killing you inside of me

I'm killing you inside of me

I'm killing you inside of me

In my life there is no place for you.
