

## Daily Routine

Animal Collective

Just a sec more in my bed  
Hope the machine's working right  
When it's just precisely tuned  
That's how it comes out so nice

Make sure my kid's got a jacket  
and coat and shoes and I  
Strap a stroller to my back  
Bouncing along every crack

What can I do to make it pass?  
Sing a song to pass the playground  
What can I do as traffic pass?  
Guard my girl from muffler's black gas  
What can I do to make it fast?  
Pop a jump but not too hard  
Take a little left up at the right  
Stop and look at the traffic signal

Up uneven steps and talking's hard

Just a sec more in my bed  
Hope the machine's working right  
When it's just precisely tuned  
Is how it comes out so nice

Make sure my kid's got a jacket  
and coat and shoes and hat  
Strap a stroller to my back  
Bouncing along every crack

What can I do to make it pass?
