Truth Be Known - Everybody Gets A Shot
he nods a little too fast
talking illogic with a big bombast, he's
full on dead sure any way's true, and he
wouldn't wanna knock it if it works for you, he
heave sighs a little too loud
so frustrated with the one-way in crowd
full on dead sure anything goes
until you go stepping on his own toes

hold on if the truth be known
truth is more than "to each his own"
if the truth be own
there'll be more to answer for
everybody gets a shot
