Truth Be Known - Everybody Gets A Shot  
he nods a little too fast  
talking illogic with a big bombast, he's  
full on dead sure any way's true, and he  
wouldn't wanna knock it if it works for you, he  
heave sighs a little too loud  
so frustrated with the one-way in crowd  
full on dead sure anything goes  
until you go stepping on his own toes

hold on if the truth be known  
truth is more than "to each his own"  
if the truth be own  
there'll be more to answer for  
everybody gets a shot
