

Tin Man

Animal Kingdom

Got no arms, got no legs,
got no shoulders but I got a head
I've got a head, that tells me stupid things to do
And I got heart, and I got heart,
although its slowing pulling me apart,
cause I never feel the same as you

So tell me if it's love, cause baby I'm a tinman
Tell me if it's love, I wanna be a real one

Well is this love? Is this pain?
I gotta a feeling that I cannot name
slowly changing every part of me
I know you think I'm just a toy,
But I wanna be a real boy
I only want to feel the same as you

So tell me if it's love, cause baby I'm a tinman
Tell me if it's love, I wanna be a real one
Tell me if it's, cause baby I'm a tinman
Since you took my heart, I've got a missing part

I've got a missing part.....

I got no arms, got no legs,
got no shoulders but I got a head
I've got a head, that tells me stupid things to do
I cannot eat, I cannot sleep
I gotta hole inside of me
cause I never feel the same as you

So tell me if it's, cause baby I'm a tinman
Tell me if it's love, I wanna be a real one
Tell me if it's, cause baby I'm a tinman
Since you took my heart, I've got a missing part

I've got a missing part.....
