Girl I Wanna Lay You Down

Animal Liberation Orchestra

I come over early in the morning just like a heat wave, without warning And when I touch you my heart begins to flutter 'Cause you're smooth and creamy like peanut butter

Aww Girl I wanna lay you down I said Girl I wanna lay you down Hooo hooo hoooooo

I'm gonna flood you, like a love river Aww baby the post man, is about to deliver I cook you up some dinner, a little pasta Listen to some music, a little Rasta

I said girl I wanna lay you down, I said girl I wanna lay you down, (Girl I wanna lay you down) Awww baby baby Don't you know I need your love?!

So turn out the lights, bring out the candles, wrap your arms around my love handles, they say the passion may not always endure, but this feeling that I have for you is burning up my world

Girl I wanna lay you down Hooo hooo hoooooo I said Girl I wanna lay you down (girl i wanna lay you down) I said Girl I wanna lay you down Girl I wanna lay you down Girl I wanna lay you down
