

# Shine

## Animal Liberation Orchestra

Shine like the sun into my life again  
I want you to shine like the sun into my life again

Shine like the sun into my life again  
I want you to shine like the sun into my life again  
Come on baby, baby please...

Shine on this heart and make it whole again  
I want you to shine on this heart and soul of mine and make it  
warm again  
Come on baby...

I want you to shine like the sun into my life again  
Come on baby...  
I want you to shine like the sun and make it warm again  
Come on baby, baby please...  
Come on baby, baby please...

I want you to shine like the sun into my life again  
It's been such a long lonely time  
I don't even feel like myself  
It's been such a long lonely time  
And I don't even know what to do with myself  
Come on baby, baby please...
