

Triumph

Animosity

Bombs the theocracy
We rest the kings
Empires the crow the perch
Saints and sinners
Cupid the birth butter fly
Art of dying
Sick silent and wolves
Sever the loving
Wolves the fetish frame
The frost bite animals
Verses and wolves
Art the heaven shaped box
1- bullets
2- knives
3- gun
Cobwebs the wolves
Frostings the finite framed
Twisted and roots and breeders
Fly away
